Coffee & Stone Café is planning a September opening in North Tonawanda in space vacated late last year by Spot Coffee.

The coffee shop at 54 Webster St., across from the Riviera Theatre, will fill a void on the block left with the departure of Spot in February 2021 as well as the closure later that year of Lou's Restaurant at 73 Webster.

"The area that we're in now is definitely lacking. There's not a lot of lunch spots and not a lot of places to get a cup of coffee and sit down with your laptop," said [Will Corbett](#), co-owner along with his father, [William "Bill" Corbett](#) and [Chris McCann](#). "That's something we're trying to get in on and exploit."

With seating for 70, the café will offer counter service and grab-and-go options. The menu will include a full range of coffee products as well as baked goods, Belgian waffles and breakfast sandwiches, deli sandwiches and paninis, soups and salads, house made pizza and smoothies. They're also hoping to get a beer and wine license in the future to capitalize on potential business before or after shows at the Riviera.

As for the coffee selections, visitors will find coffee, espresso and lattes made with a custom fresh roasted blend from New Day Coffee.

"Me and my dad are a bit of coffee snobs. We definitely love coffee and a café has always been an interesting idea for me," [Will Corbett](#) said.

"Everybody is a coffee drinker here and everyone's a cook," Bill Corbett said.

All three bring industry experience: Bill Corbett ran a pizzeria in Niagara Falls in the '90s; [Will Corbett](#), who will be general manager, and McCann, executive chef, were most recently at Brownie's Sports Bar & Tavern in North Tonawanda and Canal Club.

[Will Corbett](#) has worked as a cook or chef for 15 years, including stints at Romeo & Juliet's, The Mahoney, Briosio by Butterwood, Seabar and restaurants at Seneca Niagara Casino.

"It's a good business model with how restaurants are going, with less sit-down service and more ordering at the window," he said.

Plans call for opening by end of September, with hours from 7 a.m.-6 p.m.
